EDUCATION

Kalinga Institute of Industrial Technology

Bachelor of Technology in Computer Science and Systems Engineering

- CGPA: 8.92/10

2023 – 2027

Bhubaneswar, Odisha

EXPERIENCE

Academy of Skills Development

May 2026 – June 2026 *Python Intern*

Remote

- Completed an 8-week project-based internship on Python and Data Analysis.
- Analyzed datasets using Python, Pandas, NumPy, and Matplotlib to identify trends and patterns.
- Performed data cleaning, transformation, and visualization to support data-driven insights.
- Prepared project reports and presentations summarizing findings and recommendations.

PROJECTS

Breast Cancer Prediction System

Python, Scikit-Learn

- Developed a machine learning web application to predict whether breast tumors are benign or malignant.
- Achieved 98% prediction accuracy using ensemble learning techniques.
- Performed data preprocessing, feature scaling, exploratory data analysis, and predictive model training.

UPI Fraud Detection System

Python, Scikit-Learn, XGBoost

- Developed a fraud detection system using Logistic Regression, Random Forest and XGBoost.
- Applied SMOTE for handling imbalanced datasets and improved model performance.
- Evaluated models using Precision, Recall, F1-score.

Walmart Sales Analysis

Python, SQL

- Performed sales data analysis to identify seasonal trends and store performance metrics.
- Generated business insights using SQL queries and Python-based analysis.

Customer Churn Analysis

SQL, Power BI

- Processed telecom customer datasets using SQL to identify churn drivers and retention patterns.
- Built interactive Power BI dashboards and KPIs for customer retention analysis.

Netflix User Analysis

Power BI

- Developed Power BI dashboards to analyze viewing habits and genre popularity trends.
- Implemented DAX measures, slicers, and visual reports for interactive analytics.

TECHNICAL SKILLS

Programming Languages: Python, Java

Data Science: Pandas, NumPy, Matplotlib, Seaborn, Scikit-Learn, Machine Learning, EDA

Database & Visualization: MySQL, Power BI

Tools: Git, VS Code

CERTIFICATIONS

Machine Learning – Simplilearn

SQL (Gold Badge) – HackerRank

Java – HackerRank
